## BACKING JOHN KENNETT

John is one of your 3 Conservative councillors on Hart Council.  
(see Team on the next page). He is standing for re-election in the  
May 2021 local elections.

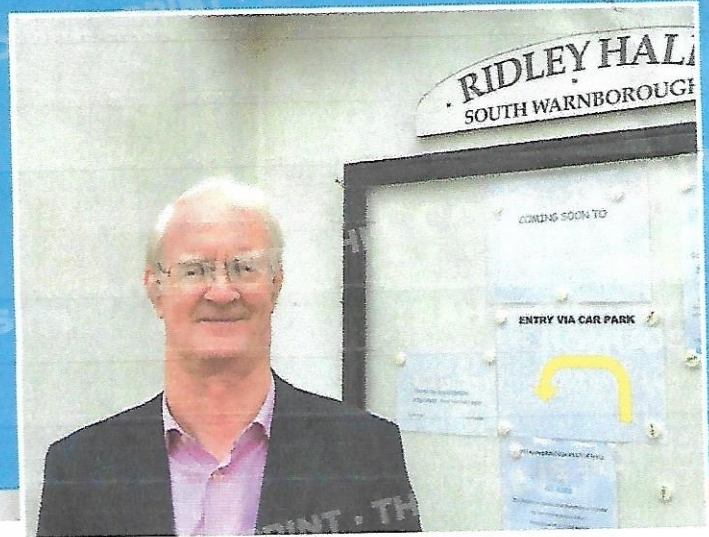

**We are backing him for all that he does.**

John was first elected in 2008 with a pledge to protect our villages  
from over-development. With his fellow Conservative councillors at  
Hart, the local Parish Councils and the village Neighbourhood plan  
teams he has done that. But he has also worked for the whole  
District.

He has twice served as Chairman of the Council. Twice elected by  
all his fellow councillors of all political parties to this important role.

John comments on his roles at Hart. "Being Chairman was a great  
honour but I have also enjoyed serving on other committees,  
especially representing Odiham Ward on the busy Planning  
Committee. But I am always at the end of the phone, by email or in  
person to help with any issues"

## Caring and Campaigning for our Community

### WHO RUNS HART COUNCIL ?

NOT the Conservatives.

Lib Dems and Community Campaign Hart have formed a Coalition to keep Conservatives out. They are from Yateley and Fleet. What do they care about our villages?

### VALUE FOR MONEY ?

There is a hole in Hart's budget for next year. And it's getting worse in later years. We have seen this coming for years and the Coalition have done nothing to get costs under control. Conservatives will cut costs, NOT cut services and will deliver value for your Council tax.

### NO TO SHAPLEY HEATH NEW TOWN !

The Lib Dem led Coalition at Hart are pushing ahead for up to 10000 houses just north of Odiham. On green fields between Hook and Hartley Wintney. "We say NO....brownfield sites not the countryside".

## Action for ODIHAM WARD OF HART DISTRICT COUNCIL

### CRONDALL NEIGHBOURHOOD PLAN

On May 6th, Crondall residents will vote to adopt their Neighbourhood Plan. The referendum vote was postponed due to Covid. We'll have to their local team on preparing a plan to manage development in the parish.

### FIELDS NOT SOLAR FARMS

Solar panels are a good source of renewable energy...in the right place. Our countryside around Long Sutton, Greywell and south of Odiham is under threat from acres of solar panels. To blight our landscape. We say NO.

### AFFORDABLE HOUSING FOR LOCALS IN ODIHAM

12 new houses are to be built for local residents. "Rural Exception Schemes" provide houses specifically for residents of the parish, or with a strong local connection. The houses should be ready this year.

## YOUR LOCAL CONSERVATIVE TEAM

Your 3 local Conservatives, working for you all year round.

Odiham Ward of Hart Council has 3 Conservative councillors who live here and care about our villages.

The Ward is the villages of Crondall, Dogmersfield, Greywell, Long Sutton, Odiham and North Warnborough (including RAF Odiham) and South Warnborough

Different communities with different priorities.

John tells us "Hart is a very diverse area and our ward is part of the

most beautiful rural landscape. Our job is to make sure Hart is not focussed just on the towns of Fleet and Yateley. We attend meetings of the 6 parish councils which helps us to stay in touch with local issues and plans. We are proud to be part of the communities where we live"

Ken lives in Odiham. He is a trustee of 2 local charities, Chris in Crondall. He was Chairman of the Parish Council for a number of years and John lives in South Warnborough, he is chairman of the Village Hall committee.
